

THE SAN FRANCISCO BOARD OF HEALTH.

We, the members of the Board of Health of the City and County of San Francisco,

Cordially approve and recommend the Royal Baking Powder. It is absolutely pure and healthful, composed of the best ingredients, of the highest strength and character.

In our judgment it is impossible make a purer or stronger Baking Powder than the Royal.

Interior Decorating

Is a fine art, when properly done, and the modern styles of wall paper, designed by some of the best artists of the day, go far towards making it comparatively inexpensive. A dining room, where the walls and ceilings are made dainty and attractive by our unique designs and rich colorings, is an incentive to a failing appetite.

We keep in touch with your needs.

No Show!

We have no "Hurdy Gurdy" "Side Shows" or "Chromos" of "Waikiki Villa Lots" to offer as an inducement to rope the public in, but we go one step further and give ONE HUNDRED CENTS worth of goods FOR ONE DOLLAR, and we find this is satisfactory to our customers. They want

Good

Blood is essential to health. Every nook and corner of the system is reached by the blood, and on its quality the condition of every organ depends. Good blood means strong nerves, good digestion, robust health. Impure blood means scrofula, dyspepsia, rheumatism, catarrh or other diseases. The surest way to have good blood is to take Hood's

Blood

Sarsaparilla. This medicine purifies, vitalizes, and enriches the blood, and sends the elements of health and strength to every nerve, organ and tissue. It creates a good appetite, gives refreshing sleep and cures that tired feeling. It is because of its great power to purify the blood that

Everyday

Philosophy.

You must take things as you find them, as the father who wanted a son and heir said when the nurse brought him in a pair of baby girls. Touching the Crimson Rim, if you take things as you find them, you will be supremely satisfied. The things which go to make up the Crimson Rim are the things which high aspiration and perfect handicraft seal for their election. They are worked together on the symmetrical whole with the Crimson Rim motto "Crimson Rim Quality" to inspire adequacy in everything.

Of all the things, therefore, in the composition of the Crimson Rim Syracuse wheel "Crimson Rim Quality" is easily first.

When you take things as you find them, as a buyer of a Crimson Rim, you start with a splendid foundation.
